

Colorado Rodmakers Reunion 2010

Women's Events

Jeep Tour at Crystal Mill

Historically numerous women attend the Colorado Rodmakers Reunion and enjoy a wide variety of activities. Although there is no formal agenda, we encourage everyone to participate in whatever capacity they choose. Some women attend the various casting and building clinics provided as part of the reunion. Some opt for the company of a good book or tours of the regional attractions while others have taken a jeep tour. The fun, casual conversation over hot tea or beverages while assisting Lily, our wonderful cook in the kitchen, is always popular. Whatever your desire, we encourage women to attend this year's reunion in one of the most scenic areas of Colorado, the Crystal River Valley.

Great Casting Area at Chair Mountain Ranch
